Dear Mr. Pavik:

I have recently learned about your gift of disposable respirator masks for use by those working to clean up portions of the campus on the heels of the flood. Please know how deeply appreciative I am personally, and the College is institutionally for your generosity and help in our time of need. It is reassuring to know that there are those in our community like you, who respond in such a pragmatic way when others are struggling in the face of such a disaster. Thank you again for your consideration.

You may feel free to use this letter if you choose to claim a charitable deduction for your support. To document, simply attach this letter, which indicates that you have given us 200 Disposable Particulate Respirator Masks, and assign a value on your tax return.

Thank you again for your consideration in this important way, and please feel free to call if I may be of service in any way.

Sincerely,

Richard E. Meisterling
Vice President for Advancement
